

Helm and Hu sub at Tavern

The Hawaiian duo consisting of George Helm and Homer Hu last night assumed the 8 p.m. to midnight performing slot at the Territorial Tavern.

The group regularly performs during the cocktail and dinner hour slot, earlier in the evening, but replaced Country Comfort, because one member had to undergo surgery.

Helm and Hu will play through Saturday night, then resume their early-hour schedule when Keola

and Kapono Beamer reopen at the Tavern next Tuesday.
